It is with excitement I look forward to a great 2012 as your MMSN president. It is an honor to follow in the shoes of my dear friend Gena Schottmuller (class of ‘57). She is an amazing lady and has been your past president many times, volunteering when no one else would. It is with gratitude that I along with the entire alumni board say Thanks for a job well done, Gena.

It is with sadness that we say goodbye at the close of 2011 to our dear friend Mel Conley, past administrator of Midway Hospital. When I think of the success of Midway Hospital, I think of Mel. He was a great supporter of MMSN and a dear friend to many, and a great man who will be missed.

Our MMSN values continue to influence the new generation of nurses. I am grateful to God as we continue to make a small difference in this world. I would like to emphasize this year’s report with a few highlights.

We have added a new board member, Kris Baird (class of ‘69). It seems like we are always looking for new board members and if anyone is interested please contact one of the board members. We were saddened to have both Eleanor Vogel and Marian Brodersen both resign after many years of service on the Alumni board. We continue to work on being able to send the newsletter via your email instead of through the mail to those who have email access. This will save a lot of money it now costs to send in the mail. Please contact Gena Schottmuller or any board member if you know of an alumnus who doesn't receive the newsletter currently. We also continue to work on making our MMSN website a much visited site. We are grateful to HealthEast for making this possible. We hope that you will make this site on your favorites and will make recommendations for additions and improvements.

Annual Meeting and Luncheon
The annual business meeting was held at Jimmy’s Conference Center in Vadnais Heights prior to the MMSN luncheon. 14 members including alumni attended the meeting. There were 139 members and guests at the 2011 luncheon. The class of 1971 planned the beautiful luncheon. The luncheon was chaired by Carol Harms along with the help of her classmates including Bonnie Bluhm, Karen Jacobson. Beth Peterson also from the class of 1971 was the guest speaker. Beth served as faculty of MMSN from 1974-1980. She then became Professor at Bethel University in 1982. This fall Beth became Bethel’s Nursing Department Chair. Nursing is the 2nd largest major at Bethel University in St. Paul, MN. We all congratulate Beth and are so proud of her accomplishments in nursing and her support of MMSN.

The alumni board continues to promote our outreach project, the Naomi Family Center with matched funds from our reserve. More information regarding this important community project in a separate report will follow.
Honorary Member

Dorothy Lee was honored to receive a lovely plaque in appreciation for her years of service to the MMSN. Dorothy served as the Mounds-Midway School of Nursing Counselor for 1959-1971. She taught the student nurses two commandments: Love God with all your heart, soul and mind. Love your neighbor as yourself. She is small of stature, tall in character. Legally blind seeing the world clearer than I. Written by Dawn Bolstad Shafer for the dedication of the 1971 MMSN yearbook. Those nursing students who were blessed to have her as their counselor will forever be grateful for the impact she had in their lives.

Financial Report

Shirley Hubenette (class of ’61) continues to amaze us with her ability to keep such good records of the MMSN financial records. As of October 3rd, 2011 we have $34,957.01 in assets. If you would still like to purchase a history book please contact Shirley. Thanks again Shirley for a job well done as treasurer. This is a big job especially handling all the luncheon registrations and monies. You are appreciated.

Scholarships

The Kirbach-Dahlby Award, the Mary Danielson and the Esther Garnett Scholarships ($1000) are available to an alumnus wishing to further his or her education in a college or University of his/her choice. Also the Parish Nurse Program scholarships are available from Mounds-Midway Alumni Association in c/o Marge Berg (’52), 1082 Carmel Court, Shorview, MN 55126 or call Marge at 651-483-6807. Return the application to Marge no later than Friday, April 20th, 2012. The board requests that recipients be active in the association by attending the luncheon and paying the annual dues of $10.00. At the 2011 luncheon 2 scholarships were awarded. Barb Reiter, Gena Schottmuller and Eleanor Vogel assisted with this project. Karen Dahlen Johnson (’81) is getting her Masters at the U of MO. Grace Osterhous Tran (’83) is getting her Doctorate of Clinical Phys at Argosy. We are proud to support them as they pursue their education careers.

School Transcripts

If you need transcripts or certification of any kind from the school records, PLEASE send your request directly to Benefits Service Center, Attention: Amy Purdy. Their direct line is 651-232-1575. The address is the same as the Alumni Association, Midway Campus, 1700 University Ave, St Paul, 55104. Sending the request to the alumni office may delay your response.

Video Committee

Melanie Buchanan (’81) conducted a video interview with Dorothy Lee in the Spring of 2011. Dorothy Lee was the MMSN counselor 1959-1971. This Bible verse sums up how she has lived her life. “What does the Lord require of you, but to do justice, to love kindness, and to walk humbly with your God?” Micah 6:8-9.

Much thanks to Carol Harms (’71) who took all the old VCR tapes and converted them to DVD’s. The Historical Society will catalog the DVD’s. We will be looking into getting these videos posted on the webpage. We are looking at a potential list of those who need to be interviewed and those who have been interviewed. Any suggestions could be given to any board member.

Bylaws Committee

Karen Veninga (’67) is chairing this committee and has lead the discussion on bylaw changes regarding roles and our work. The revisions include: the Treasurer will have an Assistant Treasurer (2 year term) who has internet access and is a board member. All officers may serve more than a one year term. Also no director shall be eligible for re-election after serving two full terms (4 years total) until at least one year has elapsed since the completion of his or her term unless he/she assumes a new role. Changes are in bold. A board rotation schedule has been introduced by Karen Veninga for future use in monitoring board members.

Historical Society

Mary Jo Borlund Monson (’54) continues to preside over the Historical Society of MMSN. The board is very active as they maintain and manage the museum and continue to preserve the history of our MMSN. The museum has an open house once a month. Artifacts and other donations continue make our museum an enjoyable and informative experience.
Thanks to all the members on this board for your dedication and hard work keeping this museum up to date. For more information see a separate report inside this newsletter.

**Community Service (Undie Sunday)**

Mariyn Meyer, Chair, Shirley Hubenette, Barbara Reiter, Nancy Jacob, Kris Baird, Ruth Philben and Jerrie Daly worked together to use the past luncheon money and matched Alumni funds to shop and buy needed supplies for the Naomi Family Center in St. Paul, MN. $2168.27 was spent on these supplies. A tour was given of the facility. An email of thanks for our generous gifts was sent to the board. Thanks to all of you who gave to this community service and to those who went shopping. See the separate report inside this newsletter for more information on this well deserving community project.

**Stamp Collection**

Marilyne Backlund Gustafson continues to collect cancelled stamps and send them overseas to Nurses' Christian Fellowship International. If you have stamps that you would like to donate, please bring them to the luncheon where Marilyne will be happy to receive them. Thank you for doing this and making a difference in this world one stamp at a time. The stamps are used for nursing scholarships in developing countries.

**In Closing**

Thank you so much for the opportunity to be your president again. I look forward to a great year as we move ahead to maintain and preserve our MMSN legacy. I wish to thank each of you who serve on our board and your willingness to help accomplish all of our board and those who have served in the past on our MMSN board. You are all so appreciated and loved. I pray that God will continue to bless and watch over all of you in this New Year 2012. I look forward to seeing many of you at our annual May luncheon. Please feel free to contact me at 612-208-5123 if you have any questions concerning the Alumni Association.

Best wishes to you all.

Melanie Buchanan, class of 1980

Lord, I’m Worried about My Church

Lord, I was worried about my church, Concerned about things untold: Pastors leaving, changing staff, And our building plans on hold.

I cried, “Dear Lord, please help us now, Show us what we are to do; You promised wisdom when we ask, We now must depend on You.”

Then my Jesus heard that prayer And gently pushed my fears aside; He said, “Have you forgotten, child? The church is my own bride.

“I am the Head; it belongs to me. Not to pastors, staff, or board; I love my church and gave myself; It will prevail, for I am Lord.

“No man can tear down what I build, Nor the power of evil one; So do not fear, just trust in me, And pray my will be done.”

Thank you, Lord, for reminding me That the church is Yours alone; You will protect and care for it, Until You take us home.

Janice Jackson Johnson ‘53

Community Service & Project - Naomi Family Residence  
Jerrie Daly ‘69

The Naomi Family Residence is a ministry of the Union Gospel Mission. The residence offers a place of safety and stability where life issues can be addressed in a supportive atmosphere and women are encouraged to transition to self-sufficiency through a welcoming Christian environment. More information regarding this ministry can be found at http://www.ugmtc.org/services-naomi.html

The goal of the Naomi Family Residence is to help women develop a plan for success.

Our alumni association has contributed to this goal for many years. On October 4, 2011 Marilyn Meyer, Shirley Hubenette, Barbara Reiter, Nancy Jacob, Kris Baird, Ruth Philben and Jerrie Daly went shopping with money collected at the annual alumni luncheon and the matching money from the alumni funds. Using a list provided by Naomi Family Center, $2,168.27 was spent on the following items: bedding for adults, children and infants, pajamas and sleepers, children’s clothing, personal hygiene supplies, desk lamps and alarm clocks and housekeeping and cleaning supplies.

Debra Morgan, of the Naomi Residence, gave us a tour of the facility and discussed their program. She has sent an email thanking us for our gifts. Thanks to all who shopped and those of you who gave...
